ABOUT

As a dynamic intern at PT. Suwarni Agro Mandiri, I have proven my expertise in web development and collaboration. I successfully designed a sales website, significantly enhancing product visibility and streamlining sales processes. As a fast learner proficient in Python and Django, I effectively supported team efforts, allowing a focus on high-priority tasks while gaining valuable industry-specific experience. I am eager to learn new skills and remain open to constructive feedback, ensuring continuous professional growth.

SKILLS

Back-end Development
Python
Django Web Framework
PHP
MySQL
Tailwind CSS
React.js
